

Freeze a Moment Scholars Speak January 2019

Freeze a Moment in Time:

Welcome back! I hope you all had a wonderful Winter Break. This week for Scholars Speak, choose a particular memory (BTH) that happened over break. Choose that moment carefully and make a mental picture. You are to illustrate in detail and in color that moment in time inside the snow globe document attached to your Google Classroom assignment. Use an engaging hook/lead, descriptive details, elaboration, dialogue and any important background information to tell us what happened (what was the highlight of your break). Then explain and tell us why you chose to freeze this moment in time.

Use what you have learned about (the traits of narrative writing) in Writer's Workshop.

Genre: Narrative

Paragraphs: 2-3 maximum
