Manhattan Beach Unified School District K-8 Registration Verification Form

Dear Parent/Guardian:

Thank you for completing the online registration process. California Education Code Section 48980 mandates that school districts notify parents/guardians of the district's policies and procedures and of parents'/guardians' rights and responsibilities at the beginning of the school year.

In addition, Education Code Section 48982 requires that parents/guardians sign an acknowledgement and return it to school. District policy mandates that this signed acknowledgement be returned during registration prior to the beginning of the school for middle school and high school students. Elementary students should return the signed acknowledgement to their teachers on the first day of school. The signature is an acknowledgement by parents/guardians that they have read the following:

- Annual Notification of Rights and Responsibilities
- Technology Use Agreement

The Annual Notification of Rights and Responsibilities, including the Technology Use Agreement, is available on the District's webpage www.mbusd.org.
